

NGBs that have successfully evidenced the Assurance Framework Requirements

The table below lists the National Governing Bodies (NGBs) of sport that have successfully evidenced to UKAD that they are meeting the 24 requirements set out in the Assurance Framework. UKAD continues to support other NGBs not listed below to meet these requirements.

Meeting the 24 Assurance Framework requirements acts as the first step an NGB must take towards meeting its obligations set out in the UK National Anti-Doping Policy. This helps UKAD to operate an effective anti-doping programme in each NGB's sport, whilst ensuring that an NGB is working to mitigate the risk of doping in its sport.

The NGBs listed below are required to continually evidence how they are meeting their responsibilities set out in section 4 of the UK National Anti-Doping Policy. The NGBs are also required to undertake ongoing actions, which are linked to the Assurance Framework. Full details are set out here, including information on the ways in which UKAD assesses compliance.
